The next General Meeting of the Macarthur Advancement & Development Association Inc.

Wednesday 2ND JUNE 2010 at 7:00 pm at the **Senior Citizens Clubrooms, Macarthur**

Hawkesdale Macarthur Football Netball Club.

We are fast approaching the middle of the season with Round 8 being played at Moyston. Our three Football sides are enjoying a successful season with all of them currently maintaining a position in the top five on their respective ladders. The senior team is being dogged by injuries and we are hoping to have our side fit and healthy when we go into the finals series.

The Junior Netball teams are all enjoying success on the court with a great number of girls turning up each week, these young ones are the future of our club so it is great to see so many enthusiastic girls about.

The Football/ Netball is a great day out for the family so if you are yet to catch a game, then come along and support your local Club.

Training Schedule : Thursday 3rd June @ Macarthur

Thursday 10th June @ Macarthur

Thursday 17th June @ Hawkesdale

Thursday 24th June @ Hawkesdale

BIRTHDAY WISHES TO ALL

Someone made sure JO LAST got her birthday wishes. Hope you had a great 60th Jo.

What is a Cat?

Cats do what they want. They rarely listen to you. They're totally unpredictable. When you want to play, they want to be alone. When you want to be alone, they want to play. They expect you to cater to their every whim. They're moody. They leave hair everywhere.

Conclusion: They're tiny women in little fur coats.

What is a Dog?

Dogs spend all day sprawled on the most comfortable piece of furniture in the house. They can hear a package of food opening half a block away, but don't hear you when you're in the next room. They can look dumb and lovable at the same time. They growl when they are not happy. When you want to play, they want to play. When you want to be alone, they want to play. They leave their toys everywhere. They do disgusting things with their mouths and then try to give you a kiss.

Conclusion: They're tiny men in little fur coats.

Sue Bensch (above) and Marg Lyon (below) enjoyed their game of golf on PINK DAY. The weather put on a perfect autumn day for the competition.

He is a lovely horse, wonder what his name is???

Moyne Shire Council update

New bins to be delivered to Macarthur kerbside residents soon

Moyne Shire Council is rolling out a new kerbside waste collection service starting with the delivery of three new colour-coded bins in June to those who receive the service. The new bins will be delivered to Macarthur residents between 14 and 18 June. Residents who receive the service will have received a letter explaining the changes to the service but if you would like more information phone 5568 0555 or visit our website www.moyne.vic.gov.au/waste.

Important land studies – don't forget to have your say

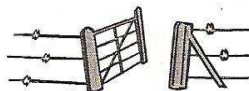

Don't forget you have until the end of June to make a submission on two important land studies – the Land Capability and Biodiversity Study and the Rural Housing Strategy. The two complementary studies look at settlements, housing and rural areas in an attempt to properly manage agricultural land assets and the future settlement needs in the Shire. To find out more or to make a comment, visit the Macarthur office in High Street or visit www.moyne.vic.gov.au/publicnotices.

Moyne Shire Council meetings – 8 and 22 June

Moyne Shire Council will hold a Special Council meeting on Tuesday 8 June to consider submissions on its draft budget, which has been on public exhibition for a month. The special meeting will be held from 4.30pm at the Port Fairy Yacht Club in Griffiths Street. The Ordinary Council meeting will be held on Tuesday 22 June from 4.30pm, also at the Port Fairy Yacht Club. Visit www.moyne.vic.gov.au/yourcouncil for an agenda (available around five days before the meeting) or pick one up from the Macarthur office.

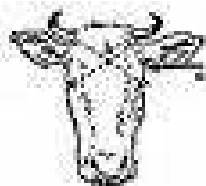

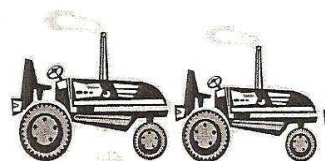

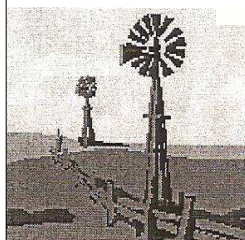

For more information about Moyne Shire Council visit www.moyne.vic.gov.au, phone 5552 2222, or drop into the Macarthur office in High Street.

Macarthur Preschool News

The preschool has had a good start to the year's fundraising with a cake stall at the community auction on the 21st March. We raised \$240 from the day and also made \$114 last term from the collection of aluminium cans. Anyone with aluminium cans to donate to the preschool can drop these into the red bin at the preschool.

Our four year old preschool class continues to settle in well with lots of artistic paintings and drawings being produced. The class is currently looking at the change of season from summer to autumn, investigating things such as autumn leaves and mushrooms.

The major fundraiser for the year is being planned, to be a "Trade Stall evening and Mystery Bottle Auction". This will be publicised over the next four weeks, and will be held in the evening on the 18th June at the Macarthur Recreation Centre. Please put this date in your diary and come along for a great night out!

The preschool has been successful in applying for a refurbishment and development grant with the government, resulting in us receiving \$20,000. This will be used to purchase a number of items including a shade sail to go over the outdoor climbing area, a washer/dryer combo machine, a hot water urn, brochure stand and shelving for the office and outside shed. This will allow us to better utilise the facilities we already have and is a major bonus for the centre.

Finally, we are calling for all parents who wish for their child to start the three year old kinder class in the third term, to return their completed enrolment form back to the preschool as soon as possible. We are soon to be advertising the teaching position for this class, and need to confirm student numbers quickly.
